

BS Locking Range

Burton Duo

BURTONSAFES
THE SURE DEFENCE

2 Year Warranty Independently Tested

A smart, entry level lock designed to complement Eurovault and Firesec Safes

Features

- Independently tested to EN1300 Class B and VDS Class 2
- Can be used on safes up to EN1143-1 Grade V.
- 1 manager & 1 user code
- All features of the lock are programmable at the keypad
- Time delay (1-99 minutes)
- Programmable opening window (up to 19 minutes)
- Batteries are located externally so that you are never locked out in the event of power failure
- Low battery warning signal
- Optional large battery box (recommended if using time delay)
- Wrong try penalty (5 minutes lock out in the event of 4 consecutive wrong codes)
- Special self diagnostic check of keypad
- Available with swing bolt or dead bolt
- Optional boltswitch
- Soft feel, rubber grip for ease of use
- Smart design, to complement Burton Eurovault & Firesec ranges
